

SETO WAREHOUSE

The **SETO WAREHOUSE** is the luminaire for rough use.

Wherever moisture, cold, dust, oils or lubricants are used, the **SETO WAREHOUSE** is the right lighting product. The **SETO WAREHOUSE** is characterized by a robust aluminium housing, a UV-stabilized polycarbonate pane and impact-resistant plastic end caps and thus corresponds to the highest strength level IK10!

Thanks to this combination of materials and protection class IP 65 (dust and water tight), the light is easy to clean, which is why it can also be used in field kitchens.

A light temperature that corresponds to a neutral daylight white at 5,000 K enables fatigue-free work.

The **SETO WAREHOUSE** is unbeatable in its diversity, robustness and price structure – a lighting product that fits anytime and anywhere.

THE perfect choice.

PRODUCT FEATURES

- High degree of protection IP 65
- Quick Installation System
- Up to 33 lights can be switched in series

TECHNICAL DATA

Electrical Data	SETO WAREHOUSE 40
Input Voltage	200 - 240 V AC
Power consumption	40 W
Lighting Data	
Luminant	LED
Luminous Flux	5,600 lm
CRI	> 80
Beam angle	120°
Colour temperature	5,000 K
General Data	
Dimension approx. (L x W x H)	1,225 x 84 x 63 mm
Item no:	1424000251

IP65
